

Toddler Gym at Harvest

Toddler Gym meets every Friday morning in the fellowship hall at the church from 9:30 until 11:00 am and will continue to meet throughout the school year. This program is intended for mothers of young children (birth through kindergarten) to fellowship with their children and other mothers in a safe, unstructured, and fun environment. We provide a room full of tricycles, slides, balls, and other large movement toys for children to play with while mothers enjoy coffee, fellowship, and opportunities for focused interaction with their children. So come to the church on any Friday morning, walk in the front door and follow the happy sounds to the fellowship hall!
